## **PREFACE**

ALL OUR ATTEMPTS AT SUBTERFUGE HAD BEEN IN VAIN.

With ice in my heart, I watched him prepare to defend me. His intense concentration betrayed no hint of doubt, though he was outnumbered. I knew that we could expect no help - at this moment, his family was fighting for their lives just as surely as he was for ours.

Would I ever learn the outcome of that other fight? Find out who the winners and the losers were? Would I live long enough for that?

The odds of that didn't look so great.

Black eyes, wild with their fierce craving for my death, watched for the moment when my protector's attention would be diverted. The moment when I would surely die.

Somewhere, far, far away in the cold forest, a wolf howled.
